Golden Ball The history of this has been lost to time.... if you know anything about it please get in touch with Pat

President vs Captain's Trophy The first record of this event is in 1980, but play may have commenced prior to this. Players are divided into 2 teams, and team colours decided by the leaders. Teams are usually by a draw. There have been many play formats from stableford through Canadian foursomes to matchplay. Since 2004 play has been a stableford.

Close Call on the 18th Tee!!

Val, Beryl and Claudette had a very near miss last Tuesday morning. They were playing in the 2nd round of the Spring Cup when they were stopped by an earth-shaking feeling and a crashing sound. To their horror, a melaleuca on the 18th tee had rotted, split and fallen on our turning circle. Luckily no one was hurt. In relief the group bought a Keno Ticket; they won \$1....

Bring your Money tomorrow for the fund raiser for “Breast Cancer” organised by Di Boyd.
