GOLFING INTO SUMMER

MEN'S GOLF NEWS

Welcome to 2024

Welcome to another year of golf at Ocean Shores Country Club. The course is in outstanding condition and currently very busy with lots of visitors making use of our fabulous facilities. If you get the opportunity be sure to make our visitors welcome so we can ensure they keep on coming back. A big year coming up with more course improvements scheduled with bunker upgrades, further developments at the halfway house and drainage and watering projects. Proposals to improve practice facilities are also in process.

Solo Waste Festival Cup

This annual trophy event takes place on Saturday 13th December. It is a single stableford event. Lance Selleck is the current champion and will be hard to beat again. We thank Solo Waste for their ongoing sponsorship.

Australia Day Shootout

The Australia day weekend shootout is a very popular annual event sponsored by Grant and Brady Accountants. The Saturday is a two person ambrose and the Sunday a 4BBB stableford. There will be an afternoon shotgun start on the Sunday. Will Fry and Neil McCloud are the current trophy holders. Get entries in early to avoid disappointment.

Captains vs Presidents

Our Captains vs Presidents day saw Simon Dean's Captains team trounce the side lead by President Leon Reid by nine matches. Ham and Turkey Voucher winners were: 1st Jesse Haines and Gareth Sampson 2nd Mal Mcpherson and David Small Leon is already plotting to reverse this result in 2024.

Monthly Medal

Our December monthly medal winner was Lew Trudgeon with an outstanding score of 63 nett. Well played Lew. Runners up on 65 nett Matty Appel and Brett Porter would have thought they were a great chance but Lew too big too strong.

December Blue Marker

With a 200+ field the course was set up tough for the Blue Marker event last week. Shane Costello from Lismore won with 67 nett with Tim Mundy from Byron second on countback from Chris Hauritz with 69 nett. The field consisted of 109 visitors which is great to see.

Raking Bunkers and repairing divots

Please keep our course in great condition by being particularly conscious of raking bunkers properly and repairing divots. Your fellow golfers are appreciative of this.
