MEN'S GOLF NEWS

Pennants 2024

The pennants nomination sheet is filling up but there is still time to get involved in this great club team event. Dates for play are Sunday 12 May, 19 May, 26 May and finals on 2 June. Get your names in!

Autumn Cup

This years Autumn Cup saw some great scoring. Many young guns tried to take the prize but one of our favourite veterans got the cash. A great 42 points from Juan Price saw him prevail with David Oliver 2nd on 41 and Luke Sanders 3rd on 40. Congratulations Juan.

Fitting Days at Ocean Shores

Wed 17 April -Mizuno

Jack and Dal & Cock of the Walk

These events are going along reasonably well. Wet weather and the Easter break have slowed us down a little understandably but please attempt to play your matches as soon as possible.

Monthly Medal

Our March monthly medal winner was Chris Jabour with a fine 66 nett. Sean Doherty on 69 nett took second place from Ryan Brooks on a countback. A great round of golf Chris!

March Blue Marker

The March Blue Marker was played in particularly tough conditions. Carts on paths, wet and long. This made Tim Hayes score of 65 nett look very impressive. Tim was able to hold off Keaton White on 68 nett and Tom Pratt who finished 3rd on countback with 69 nett. Super golf Tim.

Jack Newton Northern Rivers Juniors

This event will be played on Sunday 14th and Monday 15th April. As a result the Monday Medley comp has limited availability. If you wish to play that day book early as tee off times are between 11.00am and 12.30pm only. We are looking for volunteers to assist us in the running of this event. On course spotters and marshalls are required. Please let club captain Simon Dean or the pro shop know if you can assist. As this is the weekend of the Masters our traditional Green Jacket event will be held on Saturday 13th rather than the Monday.

Being Considered

Men's golf are looking at introducing a new local rule. Rather than having bunkers out of play after heavy rain and having different interpretations of where to drop we are looking at a Lift, Rake and Place rule. This helps maintain course integrity and keeps bunkers in play. Share your thoughts with the committee.
